PROUDLY PRESENTS ITS 18th ANNUAL

## Holiday Greens Fund Raiser

Wreaths and Door Swags from the Olympic Peninsula

For 91 years, Rotarians have been on the front lines of improving the quality of life for our community.

Last year, our wreath sales supported local programs that give shelter to people who are homeless, allow disabled people to spend a week at camp, help traumatized children the opportunity to heal, and provide suicide prevention programs to teens.

With your wreath purchase, you will help us continue this important work again this year.

### Rotary Club of Port Townsend 2020 Community Service

100% of our Holiday Greens sales proceeds goes to support local charitable causes. In 2020 our Club donated \$25,000 to the Jefferson County Community Foundation Covid 19 Relief Fund. In previous years our community grants have included Bayside Housing, Brinnon Parks and Recreation, Community Wellness Project, Jefferson County Pride, Jefferson Teen Center, Jump!, Key City Players, Northwind Arts Center, Port Townsend Marine Science Center, Port Townsend School of the Arts, PT Summer Band, St Vincent de Paul, and The Recyclery.
